

If you recently received a letter from EPA titled, *Offer of De Minimis Settlement at the Alternate Energy Resources, Inc. Superfund Site*, it means that you have not indicated that you wish to participate in the *de minimis* PRP group.

Barbara Gallo is representing the *de minimis* PRP group, and if you join the group, she will be negotiating on your behalf as well as hundreds of other PRPs. EPA prefers to negotiate with one representative rather than hundreds or thousands of companies. By joining the group, you will save administrative and legal costs and benefit from the collective clout of the PRP group.

We are advising that you follow the instructions provided in the Offer from the EPA and, if you have not done so already, contact Barbara Gallo at gallo@khlawfirm.com to indicate that you wish to join the *de minimis* PRP group.

If you elect to not join the group, you will be responsible for negotiations and settlement with the EPA and all PRP groups involved. We do not advise this option unless you have a valid reason and are committed to significant resource allocation to defend your position.

**WE RECOMMEND THAT YOU CONTACT BARBARA GALLO TO
INDICATE THAT YOU WISH TO PARTICIPATE IN THE *DE*
MINIMIS PRP GROUP.**
